**NOTICE OF REJECTION OF CLAIM**

**DATE:** December 27, 2024  
**RE:** Budicak, Inc., *et al.* v. Lansing Trade Group, LLC, *et al.*  
**CLAIM NUMBER:** [REDACTED]  
**RESPONSE DEADLINE:** January 15, 2025

Dear Claimant:

We have processed the Proof of Claim and Release Form ("Claim Form") that you submitted in connection with the Settlement in the above-referenced litigation. Based on the Court-approved Distribution Plan, your Claim is ineligible for a recovery for the reason(s) listed below. Please note that some reasons for ineligibility are curable. To resolve the identified curable condition(s) of ineligibility, please follow the instructions below.

For this Claim to be eligible, the identified curable conditions of ineligibility must be resolved, and the Claim must then calculate to a Net Artificiality Paid and/or Net Loss under the Court-approved Distribution Plan. To resolve the deficient condition(s) within your Claim, you must submit a written response with any required information as specified below, postmarked no later than the Response Deadline printed above. Please include a copy of this notice with your response. **If you fail to respond by the Response Deadline or if your response fails to cure the condition(s) identified below, your Claim will be rejected in its entirety. Please note that this is the only notice you will receive with respect to this Claim.**

**No "Recognized Claim" Pursuant to Court-Approved Plan of Distribution**

In accordance with the Court-approved Plan of Distribution set forth in the Notice (which was previously provided to you and is available for review on the Settlement website), we have determined that this Claim calculates to a "Recognized Loss" of zero and therefore is not eligible to receive any distribution from the Net Settlement Fund.

This is NOT a curable deficiency unless you had additional transactions in CBOT Wheat Futures contracts or Options on Wheat Futures contracts during the Settlement Class Period that are not reflected in your Claim. Please note, your Claim may also have other ineligible conditions listed in this notice. If the ineligible conditions listed in this notice are not cured, the Claim will not be recommended for approval, and, therefore, it will not be

eligible to receive any recovery. If other ineligible conditions are resolved but the Claim still does not calculate to a Recognized Claim under the Plan of Distribution, the Claim will remain ineligible.

Please note that even if you cure the deficiencies, your Claim must then calculate to a Net Artificiality Paid or a Net Loss under the Court-approved Distribution Plan set forth in the Settlement Notice, to be included in the list of eligible Claims.

If you disagree with the determination to reject this Claim, you may contact us for assistance and/or request Court review of our determination. To request Court review of your Claim, you must send us a signed written statement that (a) states your reason(s) for contesting the rejection of this Claim, along with any and all documentation supporting your argument(s); (b) specifically states that you “request that the Court review the rejection of this Claim”; and (c) includes a copy of this notice, postmarked no later than the Response Deadline set forth above. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which will include public filing of your Claim and supporting documentation with the Court. If your disputed Claim is presented to the Court, your Claim Form and supporting documentation will be partially redacted to protect your privacy. Please note: Court review should only be sought if you disagree with our determination regarding this Claim.
